

9 Ways to Make the Most of Your ONE WORD for the Year

- 1 Start each day asking God to help you see new truths in light of this word--in the Bible, in your life, in the world around you.
- 2 Study the word. Use a dictionary. Find this word in the Bible--do a word study on it in the original language. Read articles and books related to the word.
- 3 Keep a journal or notebook. Write down what you are learning. Record experiences, failures, victories, lessons.
- 4 Keep your word on a card in front of your Bible. As you read and pray each day, ask God to reveal more of what He wants to teach you. Look for opportunities to see this word in action.
- 5 Memorize Scripture verses that speak directly to the word, that inspire you or give new perspective.
- 6 Make the word come alive in your life as you gain understanding and insight. Use the put off/put on principle in Ephesians 4:22-24.
- 7 Make a graphic or art piece and frame it. Place it where you will see it often.
- 8 Share what you are learning with others. Telling others what God is doing in your life is an inspiration and encourages those who hear it. It also helps you remember His teaching.
- 9 Create a Pinterest board for your word. Or how about a real old-fashioned bulletin board? Add to it often and keep it in front of you.
